

Line Judge Training Program

Hello all Badminton Enthusiasts!

I hope you have chance to communicate to your team and encourage them to participate in the training and become a Line Judge for the upcoming Pan Am Junior Championship.

As you may aware, players always request Line Judges and Umpire for their games in Province A tournament. However, Badminton Ontario does not have enough Line Judges for every tournament. We call for players to act as Line Judges but not many players able to do the job properly. I wish we can make use of this opportunity to provide proper training to the Province players.

2017 Pan Am Junior Championship is hosted at Markham Pan Am Center. It will be very beneficial to the junior players if they can be an Official for the game.

If your Club has over 10 persons who is interested to participate, I can schedule an evening or weekend to host a session at your club.

Dennis Lam will be overseeing the Line Judge Program. He is a BWF Certified International Line Judge and has represented Canada as International Line Judge in several international tournaments including Sudirman Cup and Rio Olympic. He has been appointed as the Line Judge Coordinator for Pan Am Junior Championship; and wishes to share his experience with the junior athletes.

Feel free to contact him if you have any questions at: Ontario Badminton Line Judge
ontariolinejudge@gmail.com .

Looking forward to working with you and your team to promote badminton in Ontario.

Best,

Jean Wong
