

## **RA Badminton Club Athletes Successful at the Omnium de Gatineau – Nov 18-19, 2017**

The full junior high performance group from the RA Badminton Club, made up of 40 athletes between the ages of 9 and 17, descended upon two venues in Gatineau last weekend, to compete in the Omnium de Gatineau, a Quebec provincial circuit tournament. They came away with 7 gold, 4 silver and 5 bronzes medals across four age categories (U13-U15-U17-U19)!

This was the first major tournament of the season for the RA crew, and a big challenge, having to face off against the very best athletes from Quebec. We are incredibly proud of how the athletes performed, especially considering how many of the most successful ones weren't "contenders" going into the tournament.

The next big event for the RABC team will be the Quebec Junior Elite Series tournament, again held in Gatineau, from Jan 19-21.
