

# Social Tournament – The Social Party after

The party after the tournament is the chance to know more about each other and to chat about the best shot of the tournament, the luckiest shot, the most powerful smash, the best save, and last but not least the fastest run you ever made in your life time. This is also the time to relax the every muscle that you used up from the tournament and the one-pack that you trained so hard from drinking beer. To save your time and distance travel, I was able to find to closest bar to St Patrick High School. Below is the information:
