

Badminton Ontario - Closure and Cancellations

Hello all officials and draw desk,

Thank you to all officials for the hard work and commitment throughout the season until now. For those who were with us this past weekend, although the Ontario Junior Elite was challenging given the scope, it was delivered well with the support of the strong officiating and match control team.

I wanted to notify all officials and draw desk that Badminton Ontario's Board has decided to cancel the remainder of our competition season amid the COVID-19 developments. We will also be closing the office until April 6, 2020 (pending possible extension).

Any Badminton Ontario assignment you were given from now through to the end of the season, will no longer run.

We will be in touch in August for preparations to next season.

All the best,

Jean Wong
