Ottawa area clubs with known badminton training programs (*whose emails have not been bounced back*)

FYI – the registration links are now open if you, and/or if you know anyone and/or if you have any club people assisting with your coaching programs who would like and/or you would like to take any of the upcoming courses to move towards “trained” and “certified” NCCP coaches.

Please ask them to register asap (*and send me a direct email so that I know who/how many to expect*)

(*Many thanks in advance for your help in promoting, and helping to build badminton in the region*)

PS. As a planning note, CAO (*Coach Association of Ontario*) normally has funding assistance for completion of the NCCP courses.

- 60% for the courses
- 90% for the evaluations

It is expected that the government confirmation will be received by the CAO in the next couple months.
