

RA Badminton Players did very well at the Epic Tournament Provincial A in Toronto

The Black Knight Epic tournament is part of the Ontario Provincial A circuit, and it was hosted at the Epic Sport Club this past weekend, December 14th and 15th. It was a great opportunity to play against the best players from Ontario. The RA Badminton Club was well represented and its players brought back 2 silver medals and 1 bronze medal.

All these players have proven one more time that they can hold their own at a very high level. All of them fought really hard and performed well in this high performance tournament.

Congratulations to all the players for their participation and effort.
