Good Morning,

I hope your week is off to a great start. I am reaching out to see if you are able to circulate some information to your clubs regarding our 1<sup>st</sup> Annual Victor Ontario Summer Slam.

Jr C: July 20-21, 2024 (U9, U11, U13, U15)

Jr B: August 10-11, 2024 (U11, U13, U15, U17)

Venue: Markham Pan Am Centre

Cost: \$85 for 2 events

The tournaments are designed to be low-stress, fun tournaments with the goal of giving athletes something to look forward to as they train throughout the summer. There will be no ranking points awarded but there will be fun prizes up for grabs. This is also the introduction of the new U9 age category, so athletes and families can come try a tournament before the season fully begins.

If you are able to share this information around your district it would be much appreciated. I have attached both an Instagram and Facebook post that you may wish to share, or just use the information for your website/communications.

If you have any questions, please don't hesitate to reach out!

Thanks Again,

Emma
